Day Dream Project
Day Dreams
Can Come True

The Day Dream Project was developed in March of 2005 for residents of Hi-Acres Manor Nursing Center. The Day Dream Project was implemented at Ave Maria Village in March of 2009. The purpose of the project is to fulfill a resident's specific request, which may have been everyday activities prior to them having physical restrictions. A request is granted if it is found to be physically and /or financially within the means of the project.

Each facility has a Day Dream Team who make the dreams come true.

Fifty-five resident and their guests attended this banquet on Tuesday evening May 12 at The Gladstone Inn. Residents were honored for their contribution to home and community.

Tim Burchill, Administrator AMV welcomed residents and guests followed by an invocation given by David Fisher, Chaplain HAM.

The evening began with sparkling cider & wine followed by a wonderful roast beef dinner along with cheesecake for dessert.

The evening entertainment included piano music by Tim Burchill, a performance by the Jamestown High School Show Choir and Jazz Ensemble under the direction of Cheryl McIntyre. Several residents danced to the old time polkas and waltzes of the Al Entzie and Paul Janke Band.

Each resident received a certificate of appreciation for their contribution to home and community from their respective administrators.
