

Getting in the helicopter and strapped in

Dorothy Guderjahn recently celebrated her 100th Birthday and she had a dream— to go for a ride in a helicopter! Dorothy asked the Day Dream Team for help to make this dream come true. The day dream team met, a few phone calls were made...and the dream was set for take off. Thanks to the generosity of a area pilot and the assistance of day dream member Jenny Johnson, Dorothy's dream took flight. Dorothy's son, Russ accompanied her on the helicopter ride. Dorothy said "It couldn't have been any better". "I got to wear headphome and talk to the pilot and ask questions". "It was wonderful".

Day Dream Project

Day Dreams Can Come True

The Day Dream Project was developed in March of 2005 and is partially funded by a non-profit organization for residents of Hi-Acres Manor Nursing Center. The purpose of the project is to fulfill a resident's specific request, which may have been everyday activities prior to them having physical restrictions. A request is granted if it is found to be physically and /or financially within the means of the project.

A group of employees known as the Day Dream Team help make the dreams come true. They consist of the following:

Robin Gumke, Chair
Liza Danielson, Co-Chair
Nancy Steckler, Co-Chair
Kayla Wagner, Secretary
Marcie Duff, Treasurer
Nikki Greenstein
Jenny Johnson
Dori Kinzler
Nikki Mittleider
Sally Morehouse
Diana Olson
Marlys Perry
Cyndy Rodacher
Glenda Wentz
Paula Woods

The Day Dream Team averages two dreams per month. So far, we have fulfilled dreams from **Chicken Pluckin' to a catered Chinese Dinner.**

If you would like to assist in a dream call 252-5881 and ask for a team member.

*How can you help make a
daydream come true?*

If you ever hear a resident say

"I wish that I could

or

"It's been so long since I did

let us know!

We want to make their
daydream come true.

Forms are available in each wing's
